

Production Foreman / woman

As a leading manufacturer of metal roofing and siding, steel building products, steel decking, steel roofing shingles, steel roofing tiles, roofing and siding trims and flashings. Thus, Ideal Roofing offers a building envelope for virtually any kind of building, either agricultural, commercial, industrial, institutional or residential.

Our company is seeking an experienced Foreman/woman Supervisor to oversee our production operations. You'll guarantee that manufacturing remains a smooth and efficient process by monitoring employees and organizing workflows.

Primary Responsibilities:

- Provide support and services to the Production Manager.
- Set daily/weekly/monthly objectives and communicate them to employees.
- Organize workflow by assigning responsibilities and preparing schedules.
- Oversee and coach employees.
- Ensure the safe use of equipment.
- Check production output according to specifications to ensure Quality Control Standards are met.
- Submit reports on performance and progress.
- Identify issues in efficiency and suggest improvements.
- Train new employees on how to use machinery and follow procedures safely.
- Enforce strict safety guidelines and company standards.
- Ensuring compliance with company rules, regulations, policies and the collective agreement.

Necessary Qualifications:

- Proven experience as Production Supervisor or similar role
- College diploma or University degree or equivalent
- Three (3) years of warehouse experience
- Experience in using various types of manufacturing machinery and tools
- Organizational and leadership abilities
- Strong communication and interpersonal skills
- Self-motivated with a results-driven approach
- Ability to work under pressure
- Problem-solving skills
- Bilingualism an asset

Job Types: Full-time, Permanent

Salary: \$33.50-\$40.97 per hour
